

ASTM COMPASS®

The optimum way to access all ASTM, API, AASHTO, AATC, AWS, AWWA, CGA & UOP standards plus ASTM eBooks, journals, training and more

normadoc.com/french/subscription/usa/astm-compass

ASTM Compass provides access to all ASTM and API standards plus robust workflow tools that help you find and use standards and related information more efficiently than ever before. From one convenient platform, you will be able to access all ASTM standards, eBooks, journal papers and online training courses plus all API standards. Work smarter with powerful tools: add notes and images to standards, receive alerts when standards change, view changes to standards via color-coded highlighting and utilise sharing functions to pass on knowledge.
